Proposal:	Application to paint all exterior woodwork (door and windows) from brown to Moss Grey (RAL code ral7003)
Site Address:	Beckside Barn 3 Island Farm Kirton Road Egmanton Newark On Trent Nottinghamshire NG22 0HF

Newark and Sherwood District Council as Local Planning Authority in pursuance of their powers under the said legislation **Grant Listed Building Consent** for the development described in the above application, subject to the following conditions.

Conditions:

01

The works hereby permitted shall begin within a period of three years from the date of this consent.

Reason:

To comply with the requirements of Section 51 of the Planning and Compulsory Purchase Act 2004.

02

The works hereby permitted shall be carried out only in accordance with the details and specifications included on the submitted application form, the site location plan and heritage statement received on 13 March 2020.

Reason:

To ensure that the works take the agreed form envisaged by the Local Planning Authority when determining the application and thus result in a satisfactory form of works.

Note to Applicant

01

The application as submitted is acceptable. In granting permission without unnecessary delay the District Planning Authority is implicitly working positively and proactively with the applicant. This is fully in accordance with Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

02

The Listed Building Consent is granted in strict accordance with the approved plans and specifications contained in the application. It should however be noted that:

a) Any variation from the approved plans and specifications following commencement of the works, irrespective of the degree of variation, will constitute unauthorised works, would be a criminal offence and would be liable for enforcement action.

b) You or your agent or any other person responsible for implementing this consent should inform the Local Planning Authority immediately of any proposed variation from the approved plans and ask to be advised as to the best method to resolve the matter.

A copy of the decision notice and the officer/committee report are available to view on the Council's website.

Authorised Officer on behalf of Planning Development, Newark and Sherwood District Council

Date: 5 May 2020

Note: Attention is drawn to the attached notes.

Important note:

This permission refers only to that required under the town and country planning acts and does not include any consent or approval under any other enactment, byelaw, order or regulation, including the passing of plans for the purpose of the building regulations which requires additional approval and a separate application must be submitted.

Approval of details (Reserved Matters): Applicants who receive an approval of details, known as “reserved matters”, under previous outline permission are reminded of the requirements as to commencement of the development within the time specified in the conditions attached to the outline permission and to ensure that any other conditions attached to that outline permission are complied with.

Discharge of Conditions: Please note the Discharge of Condition incurs a nationally set fee and the service normally has 8 weeks to respond to each request from date of receipt. Further details are available on our website at:

www.newark-sherwooddc.gov.uk/planning/whathappensafterpermissionisdecided/

Appeals to the Secretary of State: If you disagree with the decision of the Local Planning Authority to grant it subject to conditions, then you can appeal to the Planning Inspectorate. It is important to note that there are different time periods in which you can appeal from the date of this notice. Please note, if you seek an inquiry you are asked to give the Planning Inspectorate and local planning authority at least 10 days’ notice that you intend to submit an inquiry appeal. Further information is available on the Planning Inspectorates website at www.gov.uk/appeal-planning-inspectorate or contact their customer support team by telephone 0303 444 5000 or email enquiries@planninginspectorate.gov.uk

Minor Amendments (not applicable to Listed Building Consent): If you wish to make alterations to a scheme after it has been granted planning approval, some minor changes to approved plans can be dealt with under an amended plan procedure. If this is an option you wish to pursue, the relevant application forms entitled “Application for a non-material amendment following a grant of planning permission” should be completed and returned to us along with scaled plans showing the proposed amendments and a fee. You can submit (and view guidance) your applications online or alternatively, please telephone our Customer Services on 01636 650000 who can arrange for a set to be posted to you.

We will in most cases accept the following as minor amendments to previously approved plans:

- Reduction in the volume/size of the building/extension
- Reduction in the height of the building/extension
- Amendments to windows/doors/openings that will not have any impact on neighbouring properties

However, this advice is given on an informal basis only and is therefore not binding on any future recommendation, which may be made to the Council or any formal decision by the Council. We consider the following to normally take a development beyond the scope of the permission and will therefore require a fresh application to be submitted:

- Significant increase in the volume of the building/extension
- Significant increase in the height of the building/extension
- Changes which would conflict with a condition on the original approval
- Additional and/or repositioned windows/doors/openings that will have an impact on neighbouring properties
- Changes which would alter the description of development from the original application
- Amendments that would warrant re-consultation either of neighbours, council departments or statutory bodies

Disposal of any building waste: If you are having any building or remedial work done on your home or constructing a new dwelling, you have a 'Duty of Care' to ensure your waste is disposed of properly. Any contractor you employ or even if you arrange to have any construction or demolition waste removed yourself, the person you give it to must be a registered waste carrier. You should ask to see their Waste Carriers Licence and obtain a receipt for any waste which is removed. To ensure they are registered, you can also check with the Environment Agency online or by telephoning 08708 506506.
