Matters arising

The clerk reported the following:-

Two proponents of a housing needs survey would attend the next meeting on 2nd August

The GDPR file was now complete and a certificate of registration received from the ICO. He thanked Mark Cheyney for his contribution to this project

He had received a further email from BT via our MP stating that further cable work was to take place in Tuxford and on the A1

On flood alleviation, he had returned a block plan of affected houses from the 2nd June incident to Ms J Watson of the TVIDB

On BKVC, we were eliminated at stage 1 (see AOB below)

A bench was available to purchase from a resident at £75 being an old Methodist Chapel pew. This was agreed for siting on the village green

The vice chairman reported on three highway issues:-

The willow tree appears to be a private asset but it has been logged for inspection by the Forestry Team. This could lead to a Serve Notice on the appropriate Statutory Undertakers (probably BT)

The blocked drain on Kirton road was reported as cleared on 20th June

The three locations of residual gravel have been logged for attention plus restoration of a verge near Goosemoor dyke
